

Bring out the shades, the beach balls and the family fun, because the first breeze of summer has officially blown.

It's time for Summer break!!! A time for the family bonding along with enriching experience of exploring different places, experiences and acquaintance.

To ensure that the children have a constructive holiday, some Holiday Homework and Projects are given which will keep the child active and observant. These projects can be easily done by the children and you could assist only where required. These will indeed provide an enjoyable learning experience.

Wish you and your family a happy time together during the vacation.

Hoping to see you after the summer break with a **BROADER OUTLOOK** and **POSITIVE ATTITUDE**.

Submit the Holiday Homework in neat, well labeled files (subject wise) on A4 sheets to the respective class teacher on the reopening day.
